

2nd Annual Youth Artisan Market Application

in partnership with Color Wheel Toys and sponsored by Nob Hill Main Street

The Youth Artisan Market will be a group of youth artisans hosted inside different family friendly Nob Hill businesses for the Shop and Stroll event on **Thursday, Dec. 5th**. If your application is accepted, you make a \$15 cash deposit to hold your spot, refunded in full the evening of the 5th after you set up.

Set up begins at 5:30 pm, and the event runs from 6 pm to 8 pm. You will need to be packed up and gone by 8:30 pm that evening. All profits you make during the event are yours to keep. You will need to supply a table no larger than 6'x3' feet (a smaller table, like a card table, is fine too) and one chair per artisan, and you will need to bring a cash box with your own change. Business location assignments will be made Tuesday, November 26th. An adult can help set up and pack up but youth artisans must handle the majority of customer transactions themselves.

Youth Artisans must be between ages 12 and 18 and hand make the items they sell. Sibling teams of one person older than 6 and one that is between 12 and 18 will be considered, or teams of friends/cousins between the ages of 12-18 are okay, too. No edible items for sale, please. If you have questions if your products or service constitute handmade, or about other details, email Keri at colorwheeltoysabq@gmail.com or 505-289-2463 (call/text).

**Return by email or in person to Color Wheel Toys
at 108 Amherst Dr SE by Nov. 19th**
